#### **FOR IMMEDIATE RELEASE**

Fort Worth, TX, (December 15, 2008) – **Abilita, a leading nationwide telecommunications consulting company** announced today the opening of four new locations; two in Canada and two in the United States. The new Canadian offices are in Vancouver, British Columbia and Ottawa, Ontario. The US offices are located in Boston, Massachusetts and Monroe, Connecticut.

This expansion follows other recent openings in Ottawa, Ontario; Honolulu, Hawaii and Cincinnati, OH.

According to **Craig Sweet**, CEO and an Abilita co-founder, the growth exhibited by the addition of these offices reflects the market demand for experienced consultants to provide auditing, optimization, architecture and management of telecommunications projects and services.

#### **About Abilita**

Abilita is a leading full service independent communications and technology consulting company serving the needs of a wide range of clients across North America. Abilita consultants provide specialized knowledge to our clients and continuously monitor developments in the industry to keep them well informed and ahead of the curve. Abilita's clients look to us to help them achieve greater cost efficiencies and improved performance for all their telecommunications needs – voice, data, and wireless. For additional information on **Abilita**, please visit our web site at [www.abilita.com](http://www.abilita.com).
