FOR IMMEDIATE RELEASE

Fort Worth, TX, (February 11, 2009) – **Abilita, a leading nationwide telecommunications consulting company** announced today the opening of two more locations in Raleigh, NC and Kansas City, MO.

This brings to a total of 6 new locations in the past 2 months and reflects Abilita's goal of strategic growth in both new and existing markets.

According to **Craig Sweet**, CEO and an Abilita co-founder, the growth exhibited by the addition of these offices continues to reflect the market demand for experienced consultants to provide auditing, optimization, architecture and management of telecommunications projects and services.

About Abilita

Abilita is a leading full service independent telecommunications and technology consulting company serving the needs of a wide range of clients across North America. Abilita consultants provide specialized knowledge to our clients and continuously monitor developments in the industry to keep them well informed and ahead of the curve. Abilita's clients look to us to help them achieve greater cost efficiencies and improved performance for all their telecommunications needs – voice, data, and wireless. For additional information on **Abilita**, please visit our web site at www.abilita.com.
